Brussels, June 23rd 2018

Dear Professor Rodrigo Olea,

I am pleased to invite you for a stay in the group of
« Physique Mathématique des Interactions Fondamentales » at ULB from October 29 2018 until
November 23 2018, during which you will have the opportunity to give a seminar, collaborate and
interact with our faculty, postdoctoral researchers and graduate students.

Looking forward to your visit,

With my best regards,

A handwritten signature in black ink, which appears to read 'Stéphane Detournay'. The signature is fluid and cursive, with a large initial 'S'.
