Dear Prof. Olea:

This is an official invitation for visiting the *Centre de Physique Théorique* of Ecole Polytechnique from November 1st to 30th 2021. During this period, you will be under contract with the *Centre National pour la Recherche Scientifique*, and this will cover your local expenses (housing, meals, local transportation). Unfortunately, we cannot support the cost of airfare from Santiago to Paris.

Looking forward to seeing you,

P.M. Petropoulos – Directeur de Recherches CNRS
