Brussels, October 13 2021

Dear Professor Rodrigo Olea,

I am pleased to invite you for a stay in the group of « Physique Mathématique des Interactions Fondamentales » at ULB for the period December 1-23 2021, during which you will have the opportunity to give a seminar, collaborate and interact with our faculty, postdoctoral researchers and graduate students.

Looking forward to your visit,

With my best regards,

A handwritten signature in black ink, which appears to read 'Stéphane Detournay'. The signature is fluid and cursive, with a large initial 'S'.
