Brussels, July 3 2022

Dear Professor Rodrigo Olea,

I am pleased to invite you for a stay in the group of « Physique Mathématique des Interactions Fondamentales » at ULB from October 17 until October 28 2022, during which you will have the opportunity to give a seminar, collaborate and interact with our faculty, postdoctoral researchers and graduate students.

Looking forward to your visit,

With my best regards,

A handwritten signature in black ink, which appears to read 'Stéphane Detournay', is located at the bottom right of the page.
